

FLASHFOG QUOTE REQUEST FORM

Tell us a bit about your store.

General shape and length of each wall (doesn't have to be perfect). Ceiling height.

- O Point out windows, doors, and any sections of wall you think may be attacked by a burglar. Don't forget to consider that burglars sometimes brake into your neighbor's first to then attack you. Please let us known if you think this risk is real. If protecting several rooms, please drawn them in separate sheets.
- OLabel any special precautions you have taken (gates, grills, etc)
- OPoint out the two most likely points of attack.
- OLabel the areas that take first priority. Any secondary risk areas?
- O Point out any stairs, raised areas, partitions or other features.
- OAll information is confidential.

Please use another sheet if necessary
